DeCues©

Viking Cue Mfg., Inc.

Introducing...the next generation of DeCues© from Viking.

Viking Cue is pleased to showcase several new illustrations from nationally recognized artist John Schmelzer, whose work can be seen in galleries and publications around the country.

With six new designs, there's sure to be something for everyone. Each cue was created to reflect a distinct personality and attitude.

New DeCues© models include a majestic bald Eagle, a pack of Wolves, a fierce Leopard, the Viking Lady, a Snarling Wolf, and Planet Pool Balls. The popular Feathers & Leather and Wizard designs return along with the Leopard Lady, Skeleton, Dragon, Snake, and Skull.

All DeCues© feature bird's-eye maple forearms with 11 stain options. Choose from 29 Irish linen wraps. (Refer to the main Viking Cue catalog for stain, wrap, and other options.)

Every Viking cue is crafted to perfection to provide superior playability and straightness.

Check out these and other fine Viking cues at your nearest authorized Viking Cue dealer.

DeCUES

DESIGNED WITH PERSONALITY.

A new look among the best cues in the business. Striking, colorful and reflecting a personality. The "Wizard" features a durable stainless joint. The "Ballbuster" and the "Hot Stick" have black implex joints. All three cues have black butts and black nylon wraps that heighten the coloful designs. All feature quality hard woods; Viking's famous craftsmanship and attention to detail; yet each are priced at only $195.

CRAFTSMANSHIP

Custom-made cues that fit you so well, they feel like part of you. Expect accuracy... and get it. Because your cue is straight and balanced exactly the way you want it to be.

Cues made from top quality materials and fine craftsmanship... shafts of hard rock maple. Butts from rosewood, birdseye maple, ebony.

The Viking C140 is an example of how a cue can be custom-tailored to suit your taste. Look at the color options in stains, wraps and vinyls.

With Viking, you can have your name engraved on your cue. Choose from script or block.

AMERICAN-MADE

Since 1965, we've been making Viking Cues—right here in America. As a matter of fact, we've been manufacturing cues longer than anyone else in the USA.

Intricate engraving enhances the value of your Viking Cue. This is a detail from C1200.

C. Blue	F. Vino	I. Red

Models CS-100:

J. Whiskey Hornback Leather
K. Black Ostrich Leather
L. Brown Teju Lizard Leather

Models CS-200:

M. Genuine Python Snakeskin

Models CS-55 and CS-75 cases are available in nine colors.

Viking introduces a dazzling new collection of cue cases that feature coverings of genuine python snakeskin, fancy leathers, and various man-made leathers such as corfam.©

Viking cue cases are 100% American made. All models have a felt lining for added protection and to reduce cue rattle.

Other first time features include all new thermo plastic ends, designed with a pebble finish to reduce scuffs and scratches. There is a 3/8" foam rubber cushion in both ends for even more cue protection. An additional storage compartment is available at the bottom of certain models for carrying your accessories.

- Model CS-200 has genuine python snakeskin.
- Model CS-100 offers three choices of rich leathers; whiskey hornback, black ostrich and brown teju lizard. These cases come with a standard heavy duty 7 1/2 oz. felt lining which will accommodate one butt and two shafts. Options available:
- Nickel plated lock & key
- Snooker length
- Storage compartments in 2", 3 1/2", and 5" lengths

We also carry two lines of man-made leather covered cases. Model CS-55 features a slide on top which does not require a lock. No options are available on this model.

Model CS-75 has a flush fitting cap and comes with a nickel plated lock & key. Both CS-55 and CS-75 cases come with a 5 oz. felt lining that will accommodate one butt and one shaft. These are available in nine colors. (Also see back page.) Options available for CS-75:

- Snooker length
- Storage compartment of 2", 3 1/2", and 5" lengths

HANDMADE CUSTOM CUES... MANY OPTIONS ... FAST PROFESSIONAL REPAIR

Viking will custom craft a cue to your own specifications using the finest materials available.

French Le Pro tip and 58" length standard on all cues. Each cue features one of these popular joints: A) is a soft to medium hit, B) gives a good, hard hit, (either brass, stainless, or combination of both) C) is the strongest because both ends are double-threaded, D&E) gives a soft, quiet hit.
